

2013 Siemens Competition

Math : Science : Technology

Supplemental Form

(Please save to your hard drive, type in answers and print. Make three copies and attach one to each copy of your Research Project.)

STUDENT INFORMATION

Name of Individual or Team Leader:	William Wu
Names of Parents of Individual or Team Leader:	Dawn Wang and Miaochen Wu
Name of Individual's or Team Leader's High School:	Acton Boxborough Regional High School
High School City and State:	Acton Massachusetts
Name of Team Member 2:	Nicolaas Kaashoek
Names of Parents of Team Member 2:	Frans Kaashoek and Mathilda Van Es
Name of Team Member 3:	
Names of Parents of Team Member 3:	
Research Project Title:	How to Teach a Class to Grade Itself
Project Type:	<input type="checkbox"/> Individual <input checked="" type="checkbox"/> Two-person team <input type="checkbox"/> Three-person team

PUBLICATIONS

Has this research project been published, accepted, or submitted for publication?	<input type="checkbox"/> YES - published <input type="checkbox"/> YES - accepted <input type="checkbox"/> YES - submitted <input checked="" type="checkbox"/> NO
If YES, please name the journal(s)	

ACKNOWLEDGEMENTS

You must acknowledge all individuals who assisted or advised you in any way (i.e. mentor, teacher, family members, lab assistants, other students). Please include the person's name, title, and institution and describe their participation/contribution. You are required to complete the Acknowledgements section and must include the name, title, institution, and role of any individuals who assisted with the Research Project, including family members. Receiving assistance from family members does not affect the judging in any way, but you must acknowledge their support. **Failure to identify others who assisted you with any aspect of your research may result in disqualification.**

Name, Title, Institution, Participation/Contribution <i>SAMPLE - Dr. John Smith, Professor of Biology, Sample University, Assisted with the collection of data</i>
Christos Tzamos, Graduate Student, Massachusetts Institute of Technology, Mentoring our team
Matthew Weinberg, Graduate Student, Massachusetts Institute of Technology, Mentoring our team
Dr. Tanya Khovanova, Professor of Mathematics, Massachusetts Institute of Technology, Mentoring and Guiding our team
The MIT PRIMES program, Massachusetts Institute of Technology, Allowing us to perform our research
Constantinos Daskalakis, X-Window Consortium Associate Professor, EECS, MIT, Massachusetts Institute of Technology, Help and inspiration for our project
Our Parents, Constant love and support throughout project and the use of their time to help us edit and improve our research

Additionally, please identify the institutions (i.e. laboratory, university, etc.) where you performed your research, if not already acknowledged above.
